IMPORTANT FACTS FOR BUSINESS MEN:

WORTH CONSIDERING.

Have you ever stopped to calculate the damage which Rats and Mice can do your stock?

In a large city like Hongkong the destruction done any mercantile stock by Rats and Mice is greater than the cost of insurance against fire and other losses.

A few boxes of NEWTON'S RAT CHEESE used about your premises will positively keep these pests away.

NEWTON'S RAT CHEESE is prepared ready for use, and all that is necessary to do, is sprinkle about where the rats run and they find it all right. They don't die in the house, but seek the drains or vaults for water, after eating.

NEWTON'S RAT CHEESE IS GUARANTEED.

SURE DEATH TO COCKROACHES, WATER-BUGS, WHITE ANTS, &c.

NEWTON'S ROACH POWDER

Will rid a house of such in 48 hours. It never fails to give perfect satisfaction, and is absolutely harmless to human beings.

Every house-keeper should not fail to try this ROACH POWDER.

Remember it's 'NEWTON'S' and NEVER FAILS in its work.

Infantry, Artillery, and Supplies. Every fighting force in India will be represented. Lieut. Colonel Dawson, of the 2nd Central India Horse, has been appointed commandant.

The Mad Mullah Trouble.
London, March 14.—On learning of the murder of Lieut. Scott Barbour while proceeding in charge of a convoy to Rumbek, in the Sudan, in January, Colonel Hunter, with a few men, promptly left Nao and inflicted sufficient punishment to prevent a repeat of the trouble.
A punitive expedition left Suakin on the 8th March.

The Cholera in Arabia.
158 deaths from cholera have occurred at Medina between the 8th and 10th instant.
Linking the Sudan and Uganda.
The Sudan Government has established a series of posts to wit: in fifteen miles of Gash, the northernmost Uganda post, which the Sudan has just visited.

Strike in Durban.
700 workmen in the railway shops in Durban have struck for higher pay and the strike threatens to spread to the traffic staff.

Russia and England.
The Daily Telegraph states the Russian Finance Minister in an interview with Mr. Frederick H. Mayer, Member for North Lambeth, emphasised Russia's desire for a good understanding with England. If Russia had wished to give England trouble no opportunity could have been better than during the Boer war. Russia would cordially counter-sign the Anglo-Japanese Treaty because it would be to her advantage. Railway construction, he said, had been stopped 800 miles from the Indian frontier, owing to opposition of influential people with as fearing it might be said Russia wanted the line for the invasion of India.

Canada and Japan.
The Canadian Commission's report on Japanese immigration advises legislation on the lines of the Natal Act unless Japan enforces its Immigration Act preventing emigration.

Canada and the Colonial Conference.

March 12.—Canada replying to an invitation to attend the Coronation and the Colonial Conference to discuss questions of the political relations between the Mother Country and her Colonies, also regarding the Imperial defence and the commercial relations with the Empire, says the question of commercial relations is the only question giving promise of useful discussion; the political relations are extremely satisfactory, and owing to the varying conditions no scheme for defence can be applicable to all the Colonies.

A GOOD COUGH MEDICINE.

[From the Gazette, Townsville, Australia.]
I and Chamberlain's Cough Remedy is an excellent medicine. I have been suffering from a severe cough for the last two months, and it has effected a cure. I have great pleasure in recommending it.—W. C. WOODMAN. This is the opinion of one of our oldest and most respected residents, and has been voluntarily given in good faith that others may try the remedy and be benefited, as was Mr. Woodman. This remedy is sold by all Dealers in WATKINS Ltd., General Agents.
